

Dad's Fire

1st Monday of the month
at 7:30pm
270 Sandusky St Ashland

Advocates for Families invites you to the **Dad's Fire**, a monthly event where men will come together around a fire to **connect, share stories, and embrace** an authentic community.

Drawing inspiration from **John Eldredge's "Wild at Heart,"** this gathering honors the ancient tradition of discovering strength, laughter, and purpose through shared experiences.

Whether you're embarking on this journey for the first time or continuing your path, we welcome you to join us as we ignite this movement within our community and inspire dads to thrive.

Please dress warm, bring a comfortable chair and an open heart.

If you have any questions: tom@advocatesforfamilies.org.

Funded through a grant from the Ashland County Dept of Job and Family Services as well as the Ashland County United Way.
